

Divide & Conquer OMNIFIT™ DIVIDED MOP BUCKET

Keep Your Clean Water Cleaner

Mop your floors with fresh water after each wring with our new divided mop bucket. The dirty water bucket nests under the wringer separating the soiled water from your cleaning solution – helping you reduce costs, increase efficiency while vastly improving the sanitation of your floors.

Divided Water Insert

Separates dirty water from your clean water solution

Cost-Savings

Waste significantly less cleaning solution compared to traditional mop buckets

Features & Benefits

- **Durable:** Robust polypropylene design minimizes bend and is resistant to commercial chemicals
- **Sturdy:** Long-lasting use for up to 200K wringer cycles
- **Anti-Splash Technology:** The rounded edges reduce splashing and additional spills when emptying the bucket
- **Color-Coded:** Available in six colors aligning with HACCP standards to reduce cross-contamination
- **Large Water Capacity:** 35-quart mop bucket and 17-quart soiled water insert bucket

Anti-Tip & Ergonomic Handle

Wringer prevents the bucket from tipping over

Scuff Resistant Wheels

Non-marking, swiveling casters

Seamless Integration

Compatible with select CFS Brands and competitor products, fitting perfectly into Sparta's OmniFit™ line of Complete Floor Care Solutions

LOOPED-END MOPS

Rayon Blend Finishing Looped-End 4-Ply

Absorption	Durability	Release	Laundryability
●●●●●●●●	●●●●●●●●	●●●●●●●●	●●●●●●●●

- Available in 1" or 5" headbands
- High floor coverage
- Ideal for hard-surface floors
- Releases liquid faster than conventional mops for a smoother finish

Microfiber Looped-End

Absorption	Durability	Release	Laundryability
●●●●●●●●	●●●●●●●●	●●●●●●●●	●●●●●●●●

- 1" color-coded headband
- Good for hard-surface floors
- Great for high-traffic areas

Large Microfiber with Scrubber

Absorption	Durability	Release	Laundryability
●●●●●●●●	●●●●●●●●	●●●●●●●●	●●●●●●●●

- 5" headband with an additional scrubber to effectively clean stubborn floor stains
- Large floor coverage
- Mops are not pre-shrunk

Solution insight:

These microfiber mops are washable, great for high traffic areas and are still effective up to 500 washings.

High-Quality LOOPED-END

Mopping Solutions

Looped-End Mops for the Long Haul

Our looped-end are built to last, offering reduced fraying, linting and laundering capability. We have various looped-end and specialty mops to meet your specific needs and increase your cleaning efficiency. Achieve a new standard of floor hygiene with a mop that doesn't cut corners on quality cleaning.

Features & Benefits

- **Durable:** Superior performance that can last up to 8x longer than cut-end mops
- **Floor Type:** Great for smooth, hard surface floors
- **Coverage:** Sewn-in tailbands enable greater floor coverage
- **Absorbent:** Microfiber mops collect 6x as much liquid compared to traditional mops
- **Specialty Mops:** Perfect for cleaning unique messes on unconventional flooring

High-Quality Materials

Highly absorbent looped-end mops available in cotton, synthetic blend, rayon and microfiber

Specialty Mops

Perfect for cleaning unique messes on unconventional flooring

Innovative Design

Variety of headband designs including our new OmniFit™ ACME threaded mop heads

Color-Code Compliant

Wide selection of colors available to comply with color-code systems and prevent cross-contamination

PICK A COLOR, ANY COLOR.

Develop a safe, reliable HACCP cleaning program with Sparta color-coded products. The colorful, quality items promote safety while reducing the risk of cross-contamination, protecting both your business and your patrons. The color-coded system you have been asking for is finally here, so assemble the colors you need to tailor a coded system that is right for you!

Benefits & Features

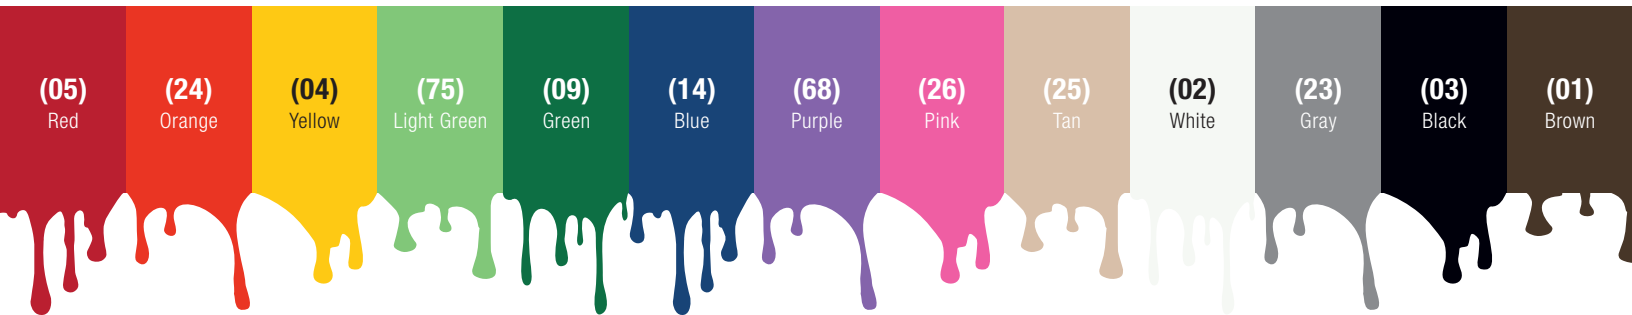

- Aluminum handle provides stability for long-lasting use
- Yoke locks into bail for easy waste disposal
- Serrated edge allows you to “comb” the broom
