

FROZEN GRANITA DISPENSERS

Crathco

I-Pro Frozen Granita Dispensers

Introducing the most advanced professional slush, sorbet, and granita machine in the world. Even safe for milk!

High performance, ultramodern design, and user-friendly. Insulating technology increases cooling power, saves energy and money, and reduces external condensation. Choose from either (2) or (3) 2.9 gallon insulated bowls with either mechanical or electronic control board and timer, optional UV lights for sanitation, and optional light panel. Perfect solution for restaurants, coffee shops, bars, amusement parks, convenience stores, kiosks, and much more.

- All models are certified NSF-6 safe for milk.
- Transparent bowl encourages impulse purchasing.
- Programmable freeze and defrost mode.
- Efficient safety mechanism is activated when cover is lifted. All moving parts automatically and immediately stop.
- Lockable lid.
- Adjustable product consistency.
- Black finish.
- Commercial grade parts ensure a long life in heavy-usage locations.

I-Pro 2 Frozen Granita Dispensers

NSF-6
