Reasons to Love:

- Contemporary elegant style across five beverage applications
- Hammered finish conceals scratches from heavy use.
- Scratch-resistant, break-resistant, and durable
- Fully stocked and ready for immediate shipping and sampling

Everything You Need In a Contemporary Drinkware Line

The five-piece drinkware line, along with its matching mixing glass is fashion-forward, scratch-resistant, and has the strength and durability of SAN plastic.

Your guests will love the on-trend sleek design of the Hammered Drinkware collection and you will love the finish that conceals scratches from heavy use!

Who Should Serve With Hammered Drinkware?

Demand for outdoor service continues to be high. Hammered Drinkware offers a stylish way to serve contemporary, fashion forward cocktails without the burden of shattered glass ruining a good time.

- Outdoor bars on patios, rooftops, in gardens or at catered events
- Poolside, private cabana huts, spa retreats
- Dancefloors, nightclubs, lounges, and private clubs
- Any establishment where stylish barware is needed without the risk of broken glass

Anywhere breakage-avoidance is critical, Hammered Drinkware is your new go-to collection for vintage 20s style and rugged durability.
