

## Camshelving® Wine Rack

### Premium Series Full-Size Rack Elements XTRA Series Full-Size Rack

HEIGHT	DEPTH	LENGTH
<b>72</b>	<b>14</b>	<b>48</b>
(1830mm)	(360mm)	(1220mm)

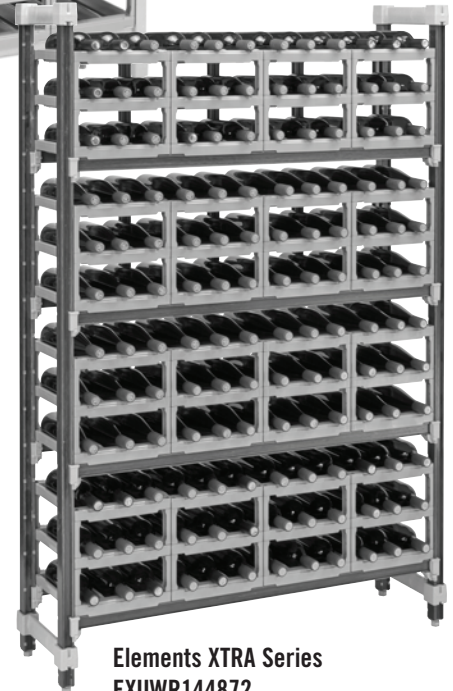

#### Features & Benefits

- Quick to assemble, stationary wine racks with modular, stackable wine cradles.
- Ideal for wine storage in any environment, including wine cellars or environmentally controlled rooms or wine/beverage coolers. Will never rust, corrode, dent or peel.
- Safely store up to 144 (12 cases) each standard size wine bottles per full rack.
- Each bottle nests securely into a single cradle space with room for air flow. Smooth, rounded plastic sides/corners ensure that wine labels remain intact.
- Opening between stacked cradles is 3 9/16" (9,05 cm).
- Opening between single stack of cradles on 2 traverses and the next shelf/traverse is approximately 5 1/4" (13,3 cm).
- Opening between double stack cradles and next shelf traverse is approximately 4 1/2" (11,4 cm).
- Opening between triple stack cradles and next shelf traverse is approximately 3 1/2" (8,9 cm).
- Each rack includes 2 factory assembled post kit frames, 8 shelf traverses (with 4 bags of dovetails for an Elements XTRA rack), 48 wine cradles and 32 bags of wine cradle connectors, 4 per bag.
- Each shelf/tier of storage has 12 cradles stacked 3 high with cradle connectors.
- Each shelf/tier of storage holds up to 36 bottles of wine or 3 cases.
- Cradles and connectors are made of highly durable, smooth ABS plastic.
- Premium Series posts and traverses have a steel core with smooth polypropylene exterior for superior strength and durability. Shelf traverse dovetails are molded into posts.
- Elements XTRA Series posts and traverses are made of extremely strong composite and plastic materials. Shelf traverse dovetails must be installed on posts.
- Uniquely engineered Post Connectors offer exceptional cross stabilization and stability. Weight bearing is uncompromised.
- All components easily wipe clean or can be run thru a commercial dishwasher.
- Racks require minimal assembly. Use a rubber mallet only to install traverses.
- Lifetime warranty against rust and corrosion (posts, traverses, cradles, and connectors).
- Available in 1 Color: Speckled Gray (480).

## Specifications

Code	Description	Dimensions D x L x H	Unit Weight lbs. / kg
CPUWR144872	Premium Series Wine Rack	14" x 48" x 72" (360 x 1220 x 1830 mm)	131 (59,4)
EXUWR144872	Elements XTRA Series Wine Rack	14" x 48" x 72" (360 x 1220 x 1830 mm)	96.6 (43,4)

**Color:** Speckled Gray (480).

## Architect Specs

Post and Traverses:

Premium Series: Internal steel core. Reinforced polypropylene exterior.

Elements XTRA Series: Proprietary non-corrosive composite material.

Post Connectors: Reinforced nylon

Cradles and Connectors: ABS Plastic

Post Connector Collar Wedges: Reinforced polypropylene (Elements XTRA Only)

Traverse Dovetails: Reinforced nylon (Elements XTRA Only)

## Optional Accessories

- Floor Fastener CSFF
- Wall Fastener CSWF
- Dunnage Stand CSDS14H6
- Identification Tags CSID6 – 6" (152 mm)  
CSID3 – 3" (76 mm)

## Approvals

Post Connectors, Cradle, Cradle Connectors, Bracket, Seismic Foot and Wall Fastener are not NSF Listed.
